Christianity will disappear

Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

172 faith leaders from the US as well as some Unification Church leaders from Korea and the US participated at the meeting that day, ‘Assembly for Launching the Registration and God’s Fatherland,’ but its English title on the banner is Registration for God’s Kingdom and the Fatherland.

“In the Bible there is the word ‘the only-begotten son.’ That originally means Adam, not Jesus.”

“Christianity will disappear. Buddhism, Confucianism, and Islam too. There will be no Unification Church either. There will be only True Parent-ism.”

“Since there had not been True Parents, (humankind) has been separate. Before True Parents appear, there is no harmony. After there is harmony, the unification of people of seven different colors can take place.”

“There is only one True Parents. Adam could not be it. Jesus was killed. Religious leaders tried to kill the Messiah of the second coming.”

(Reading his speech title) “Settlement of the True Parents of Heaven, Earth, and Humankind.’ These words means everything and you do not need the rest of the speech.”

(Showing Shin Jun Nim’s photo) “Shin Jun is my grandson. If you do not attend him as the king, there will be no way for you to return. Pray (if it is true)!”

“The words ‘True Parent’ had been spared until Rev. Moon started to use them.”

“I said you must learn Korean by 1985!”

“On my 17th birthday, Jesus came to me saying “Be my substitute.” I said ‘Who are you? I am the person who know the God of Night and the God of Day have been in conflict against each other. Who are you? Identify yourself.’ Then he ran away from me. So I went to the spirit world to find and meet him, and said “If I need to be so, why don’t you tell me that you had been trained to be able to unify the God of Night and the God of Day! What is this?’ Why couldn’t he do that? It is because nobody can teach the foundation and will of True Parents.”

(Katsumi: this unprecedented comment on his encounter with Jesus started at 36 minutes and 33 seconds of the video clip of that day.)
