Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

In Mrs.McDevitt’s reading of Father’s speech from his speech book #34, Father said,

“In order to become Abel, firstly you need to receive love from God. Are you receiving it? Do you think you are? Have you said to your hand ‘This hand is the hand that receives God’s love. How beautiful it is!’ Have you felt ‘My body is fully receiving God’s love.’ Have you felt ‘God’s blood is vividly running in my body.’ You must be able to feel that. But all of you failed it. You must know this clearly: First of all you need to receive God’s love, and then you can love Cain. You must be able to do both.”

The following are some of Father’s words after the reading.

“You must know there is a way to indemnify the 1,000-year course of restoration with your 10 years.”

“I have passed all the courses. The day before yesterday, I felt my path is somehow blocked but I found out yesterday I had passed it already.”

“I always hope that those who came here today appreciated Hoon Dok (reading) more than those who came yesterday.”

(Indicating his speech for the Cosmic Assembly for the Proclamation of the Settlement of the True Parents of Heaven, Earth, and Humankind and the Substantial Word of God) “This is my textbook and teaching materials. Those who don’t know this can’t pass the exam.”

“Before I became 10 years old, there already was a rumor about me called ‘Small-eyed boy of Osan family.’ I was the boy who told ‘Someone is coming from the distance and we should prevent him from coming and he will damage our village otherwise.’”

“The era of separation of the three powers will be gone. It will be five powers, adding the media and the bank.”

“Those who put your first finger of the left hand on that of the right hand when you cross fingers, stand up. From your birth, you do so, and that is your destiny.”

“The Mongolian race must be right-handed.”

“The Prayer of Rev. Moon is ‘True Parents’ Prayer.’ I have revealed this recently.”*

“Who invented ‘gender equality’? Are man and woman on the same line? What do they mean by saying that? Do they indicate it when man and woman standing, lying or walking? Silly people. If convex and concave are on the same line, why do they need each other? Parents and children are different. Summer and fall are different. That is the way the cosmos is.”

“How can you put your first finger together with each of other fingers? They must bend themselves to do that.”

“The four rules of arithmetic aren’t necessary. 9 X 9 makes 81 but it should be 91 or 102. Nobody knows this. Who else says this?”

“With what kind of authority, did I bless four saints and others with their wives? True Parents’ authority.”

“True Parents will have the third ceremony of the Blessing this time, and the completion brings them to the center. (Then Father counted one, two three starting from his first finger and then from the fifth finger, both of which ended at his third finger, the center of the fingers) This (the third finger) is connected through the arm into the body inside including the lung.”

Note:

* Recently revealed True Parents’ prayer, which Father compares to the “Lord’s Prayer,” consists of two parts. The former is from “Moderation, written by Confucius’ grandson Jasa, one of the Seven Chinese Classics (the Four Books and the Three Classics). Which says: __ This basically means that spring, summer, autumn and winter, which respectively represents foundation, growth, harvest and conclusion of life, are unchanging heavenly law, and that is also the way that humans are those who pursue love, righteousness, courtesy and knowledge in order to go along with such Heaven. The latter part is Father’s providential viewpoint of realizing the ideal world, and I don’t know the exact words of Father in his prayer. Basically he says uniting England, the US, France, Japan, Germany and Italy centering on True Parents’ family, the world of peace will be established.
