However, they do provide a good idea of the "spirit" of the message. — Rev. Katsumi Kambashi

"Who is Lucifer? You understand him as the archangel but who is he in the relationship with the God of Night? Lucifer means 'the seed and the fruits of the Louvre.' Who is Gabriel? Who is Michael? 'Michael means 'since there was no home, it had an abortion.' Since I know the fundamental issues I interpret their names such way, but you do not know anything about it.

You do not know if they are three brothers or not. Lucifer is God's younger brother. When God created the cosmos and Adam and Eve, it was Lucifer who helped Him. Do you know that? He is God's younger brother. (Father made a surprised face.) Then to Lucifer, who are Adam and Eve? They are the substantial beings of his Elder Brother. The Second Messiah is the body of God."

"I once caught a 173-cm king salmon." "People think the whale is the biggest but the white shark is bigger than that. It is 44 to 50 meters. The whale cannot be bigger than 43 meters."

Father read his speech and made comments. "I will take with me those who held the Seunghwa ceremony without leaving their body."

"The wedding ceremony that True Parents will have (on their next birthday) is not to liberate True Parents but to save all of you. As True Parents have the third wedding ceremony, you as sons and daughters will enjoy heavenly fortune along with it."
