Fathers comments during his public speech

(Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi)

“Those who are confident that you were born from True Parents, raise your hand. Nobody.”

“Since you don’t know if the person who is standing here has become the True Parent of Heaven, Earth and Humankind, or trying to be so, I will read my speech for you to find it out. What is the title of my speech? ‘천지인참부 모정착 (Settlement of the True Parents of Heaven, Earth and Humankind).’ Settlement of the True Parents who are the only couple in heaven and on earth. Then 실체말씀선포 (Proclamation of the Substantial Word of God),’ and 천주대회 (Cosmic Assembly). The Cosmic Assembly means the assembly in God’s home.”

“The conclusion of this speech is on the page 74. It says ‘섭리적 최종목적이 되다 (The ultimate purpose of the providence is done.)’ It also says 완성, 완결, 완료 (Perfection, conclusion, and completion.)’ Those who will participate at True Parents’ wedding ceremony and so have a parent-child relationship, will be given the same speech file that I have here.”

When Father read the following part of his speech (holding back his tears) “Please join me in giving a round of applause to our Heavenly Father and to True Parents for their benevolence, through which we can receive the grace of precious life without being asked for anything in return,” all the participants applauded.

Then Father said, raising his voice, “Do as you want. If you applaud, do it loudly! If you miss the opportunity of giving an applause of pledge and promise, you will have a big problem. You will die and disappear. I am now too emotional to speak. (Then he read the next sub-header “One Family under God,” and said holding back his tears) There isn’t one family under God. (Humankind) hasn’t been able to make it. One family under God...

Then he continued to read, shaking with emotion, ‘Ladies and gentlemen, what is the path that humankind should take today? Even now tens of millions of innocent lives are being lost each year to war, disease, starvation and natural disasters that arise in all parts of the world. In every field you observe, from the individual to the collective level — whether religion, politics, education, culture or ideology — people are deeply mired in the swamp of self-centered egoism, raising walls around themselves. We now live in a world brought to ruin, where genuine communication has broken down.

Ultimately, the problems afflicting humanity can only be resolved through the worldview of One Family under God, in other words, the ideology based on true love, which my wife and I, the True Parents, have learned from Heaven and have championed and taught throughout our lives. This is the only way for humankind to find the path toward peace and happiness. Ladies and gentlemen, we are living in a historic time of great cosmic transition. It is a time for a great cosmic revolution to change history, to unite the spiritual and physical worlds and to create the ideal kingdom of heaven that God has longed for since the beginning of time. We can no longer postpone or prolong the fulfillment

of His wish. I have already proclaimed that January 13, 2013 will be.' I am sorry. I am old now."

(Reading the following part with tears) "Ladies and gentlemen, do you have any idea how much pain God suffered the moment our first ancestors, into whom God had invested His complete and unreserved devotion since time immemorial, fell and disappeared into darkness, becoming part of Satan's lineage? Are you even remotely aware that our Heavenly Father — who endured tens of thousands of years of excruciating heartache so great that His bones shed tears and His flesh quivered — had to go through the long, dark tunnel of indemnifying the human Fall in order to save His lost children? How many of you have spent days and nights in tears, yearning to comfort our Father in Heaven?' I am sorry. (Then there was a long pause before he started to read again.)"

(After having read the following part of the speech "혼을 넘은 영인체 / spirit-self which is beyond the level of the soul")

"It is Rev. Moon that found the term 영인체 / spirit self."

"From birth I was different from you. I heard '절대음 / 絶對音/ absolute sound' from my birth. Are you able to listen to that? In my family, when I was praying all through the night Hyo Jin (when he was a child) got up saying, 'Dad! I am scared!' I said 'What happened?' He said 'I am hearing orchestral music from the sky!' I said, 'Don't worry. It is for the two of us. It is not scary and so sit down and listen to it. You could dance to the music with your hands and body.' He started to dance to the music when he was three or four years old. He was born from sperm different from others. Shin Jun (True Parents' grandson who always accompanies them) called our couple 왕아빠 왕엄머 / King father King mother. Did he come here? ('Yes.') Bring him here. (He is now downstairs) Even when he is eating, when he sees our couple, he stops eating, greets us and gives us applause. He resembles me even if I didn't teach him."

"You can't listen to God's words but I can. The words I heard are the contents of my speech books which become textbooks and teaching materials for Hoon Dok Hae."

(After reading:) "Ladies and gentlemen, last year in Las Vegas, there was a special proclamation centered on God that was given by the True Parents of Heaven, Earth and Humankind on two separate days — one part at 2:20 AM on the 8th day of the 5th month of the Heavenly Calendar (June 19, 2010) and the other at 3:25 AM, on the 15th day of the 5th month of the Heavenly Calendar (June 26, 2010)"

"There was a special proclamation. There was a special meeting nobody knows."

"I will have my third marriage ceremony, which is the last one. When I have it on D-Day, I will ask all the Blessed families and the second gens, and all Mongolian-birth mark people to come to join us to the last man. What kind of day is it? By fulfilling God's will through becoming the True Parents of Heaven, Earth and Humankind, (I will have) a seal of heavenly nation. What is called the seal of heavenly nation? It is '국새 / 國璽 / seal of nation'. (Katsumi: Father said before it is '옥새 / 玉璽 / Royal seal')"

"The Happy Health machine can cure even AIDS."

"Who liberated the Creator? It is the True Parents of Heaven, Earth and Humankind."

"Without receiving the Blessing there is no way to live. One can't go to Heaven. Those who are not of God's lineage can't be God's children. There should be the tradition, blood lineage and resemblance."

"You should practice Hoon Dok Hae every day."

"(After the Blessing) If one falls again, there will be no forgiveness for them. If there are such persons here, you should repent, repent, and repent before D-Day, put the thing in order as soon as possible, proclaim it in front of Heaven and all nations, and return to God. Their families and descendants will disappear otherwise. Heaven would take all of them to the spirit world."
