Excerpt

"The Origin of Loyalty and Filial Piety<sup>1</sup>" Volume 1

Unofficial Translation

In order to gain a victory, you must move God's heart. There is no other way. In order to move God, you must not have a sense of your own self-existence. When you are living for Him 100%, God will help and assist you. When you have a concept of self, you belong to the realm of Satan. This is very clear.

If you reach a standard of mind-body unity, absolute faith, absolute obedience, and absolute love, you will be able to resolve everything. God will concern for you much more than when you worry about your own wellbeing. For instance, I am concerned about you more than you worry about yourselves. As a district leader, you think about Japan from the perspective that is centered on your district. God and I think of Japan from the cosmic viewpoint.

There is no nation that stands as the central nation in God's providence, which can connect and transmit God's electromagnetic wave to the earth. It is not necessary that every citizen of the nation should be like that transmitter. However, the nation must have at least one person who is determined to be a living sacrifice to liberate God.

The Sacrificial offering must be divided in order to determine its ownership — to determine whether it belongs to God or Satan.

### Note:

<sup>1</sup> Editor's Note: "Origin of Loyalty and Filial Piety" is several volumes of books compiled Father Moon's speeches (given to Japanese members where he spoke in Japanese) from later 60's to early 80's by Rev. Kamiyama. For the above excerpt, it is not clear which speech it is taken from.
