**Invitation to HARP Leaders' Workshop 15-17 March 2013**

---

Dear National Leaders,

Many greetings from Korea.

I am presently working to thoroughly understand the current situation of the ESGD and the Youth department. As soon as possible I want to solve this situation. In the meantime I suggest to continue with the preparations for the upcoming HARP Workshop in March, for which I give my permission. Please see the attached invitation letter of the ESGD.

I look forward to meet you all in Korea for the Foundation Day.

With best regards,  
Pres. Yeong Shik An

Dear HARP leaders and HARP parents!

We are happy to invite you to our annual **European HARP Leaders' Workshop in March 2013**. This is a once-a-year opportunity for all the leaders of our teenage youth to meet and make personal relationships. It also contributes to deepening our cooperation on the European level. Through this workshop we want to offer guidance on the key themes and issues connected with HARP.

The HARP leaders' workshop is always a great opportunity to share, report and get re-energized in your work for the brothers and sisters in your nation. We want the meeting to address your needs and concerns, so if you have any suggestions about what topics should be included please let us know. **The main topics on our agenda are:**

- Vision for our work and guidance from the ESGD
- 2<sup>nd</sup> Gen Matching & Blessing Providence
- Purity Education
- Youth leadership
- Sharing best practices from nations
- Summer 2013 European activities

One of the valuable points is to share about HARP in your nation. We want to kindly ask you to prepare short written overview, which all participants can receive. In addition to it we will also hold a session to share the best practices and new ideas. In your written **overview of national HARP** please include:

- HARP structure (HARP leadership + committee overview)
- Goals and focus of the last year + accomplishments/challenges
- Goals of this year for HARP in your nation
- Share new ideas and good practices (something helpful for other nations) – we will have time to discuss these at the meeting

Next we kindly ask you to give us update on current HARP structure (possibly Youth department structure) and fill in the "**Youth leaders address form**" which is in another attachment. This will give us an update on your situation. Please ask your national Youth Department leader for assistance to fill in the information, if necessary.

**We strongly recommend that each HARP nation sends 1-2 representatives** for the meeting (HARP leaders, committee members, HARP parents). If your nation has a HARP budget, please let it support the person(s) coming to the meeting.

We hope that finances will not be a reason to stop HARP representatives from coming. If there is no budget in your country to support it, please inform us, we want to find a way for HARP leaders to join the meeting.
