Announcement from FFWPU International Headquarters

2.15 by the Heavenly Calendar in the 1st Year of Cheon Il Guk (March 26, 2013)

May the blessings and love of the Heavenly Parent and True Parents be with all regions and mission nations.

On 2.9 by the heavenly calendar in the 1st Year of Cheon Il Guk (March 20, 2013) at a luncheon held at Cheon Jeong Gung in Korea, the True Parents of Heaven, Earth and Humankind once again mentioned the significance of "creating an environment" and announced words that all Sunghwa students and other youth in the world, including True Parents' grandchildren, should recite in the morning and evening when they pray in the era of Cheon Il Guk, which was ushered in by Heaven.

This is to present the text of the prayer announced by the True Parents of Heaven, Earth and Humankind. Please guide all Sunghwa students and other youths including second and third-generation Blessed children in your mission nations to use this in their prayers.

Prayer for Sunghwa Students and Youth

"Heavenly Parent, I thank you, and I love you. I, [one's name], will become a devoted son (daughter) who will inherit the tradition of true love established by the True Parents of Heaven, Earth and Humankind, and perfect the duty of a devoted son (or daughter), patriot, and divine son (or daughter). I report this in my name [one's name], a third (second, fourth, etc.) generation member of a Blessed family, Aju!"

Note: Children and youth who joined recently should end the prayer saying "I report this in my name [one's name], Aju!"
