Appointment of Alexa Ward to the HSA-UWC Board

Michael Balcomb
March 30, 2013

Dear District Pastors,

I am writing to inform you that yesterday Mrs. Alexa Ward was elected to join the HSA-UWC Board as a director. The Board also appointed her as a Vice-President of the Church.

Alexa and her husband Dr. Thomas Ward are widely known and respected for their long time record of devoted public service. Alexa has a long and accomplished record working with the Women's Federation for World Peace, and True Mother recently asked her to take on additional roles in the WFWP International Organization, working as deputy to the International Director Carolyn Handschin, and in the United Nations office here in New York. In addition to that work she will undertake limited specialized assignments as Vice-President of HSA-UWC including assisting me in strengthening the strategic connection between HSA-UWC and our major affiliated ministries and organizations, including UPF, ACLC, WFWP and others. She will also serve on the new National Council.

A handwritten signature in black ink, appearing to read 'M. Balcomb'. The signature is fluid and cursive, with a long horizontal stroke at the end.
