Dear Brothers and Sisters,

Following is an important announcement from FFWPU International Headquarters regarding placement of the official photo of True Parents in church chapels. It also explains that we will no longer use chairs for True Parents that had been placed on the church stage. Future use of these chairs can be determined by each church leader.

Please share this information with your families.

Guidelines for Placing Official Photo of True Parents in the Church Chapel

Ref. No. FFWPUI 2013-49

2.22 by the Heavenly Calendar in the 1st year of Cheon Il Guk (April 2, 2013)

May the blessings and love of the Heavenly Parent and True Parents be with all regions and mission nations.

With the dawn of Foundation Day in the founding year of Cheon Il Guk, the True Parents of Heaven, Earth and Humankind designated a new official photo of True Parents that should be placed in our church chapels. Below are some guidelines regarding True Parents' official photo which should be used during worship and when offering a bow to True Parents.

1. Placing the official photo of True Parents in the church chapel.

-- We will no longer use chairs reserved for True Parents that had been placed on the church stage.

-- The official photo of True Parents should instead be placed in a location inside the chapel that is on the left side when viewed from the entrance into the chapel.

2. All national Headquarters and local churches should follow these guidelines in preparing the church chapel.

3. Framing the official photo.

-- Please download the attached file and use it to print out True Parents' photo. The photo should be placed in a frame that is manufactured with utmost care and attention.

4. These guidelines are effective as of 1.1 by the Heavenly Calendar in the 1st year of Cheon Il Guk (February 10, 2013).
