Video from Korea of Foundation Day Events

Michael Balcomb

April 16, 2013

Dear Brothers and Sisters,

Yesterday, Bishop Kim and I were in Las Vegas with True Mother. We watched the following video from Korea together with her during Hoon Dok Hwe. It is a summary of the many events associated with Foundation Day. The narration is a little stilted in places, but the information is helpful and I want you to enjoy it as we did with True Mother.

True Mother arrived in Las Vegas in high spirits and was greeted by around forty members, including the HSA-UWC USA Board of Directors who were there for a quarterly meeting. She encouraged the Board to work hard in guiding the many projects that we are undertaking in the United States.

I hope that you enjoy the video with your families.

Sincerely,
