Weekly Greeting

Dear Brothers and Sisters,

Greetings! HAPPY TRUE PARENTS' DAY!!!

And happy April! I think spring has finally arrived.

This past Sunday I had the joy of visiting our community in Orange County (they meet at the Horse Farm in Port Jervis, NY). What a fantastic group. Each family stood up and introduced themselves – and each family member shared about their interests, talents, and ambitions. I was amazed! I could feel how much our Heavenly Parent loves each of us and is rooting for each of us. Thank you to Dorit Smith – who is the pastor for Orange County. And congratulations on the choosing of a name, “Orange County (OC) Family Church.”

This past Saturday all the local pastors of the NY District got together at the White House in Tarrytown for a meeting that I thought was very fruitful. Here are some of the things we covered:

- 1) Everyone shared on the topic – What is the **significance of Foundation Day** for you? Among the responses:
 - a. There are signs in the news that things are getting better in the world. In addition – the resigning of the Pope (first time in 600 years) and the extreme weather are signs that something is happening spiritually
 - b. “My love life (with my spouse – of course) is getting a lot better!”
 - c. “I find it is easier for guests to receive the DP.”
 - d. “I feel a sense of God’s liberation – very hopeful for the future”
 - e. It is a time to go back to the basics – of teaching the DP. Value the grace we have been given by TP. “my family has begun evening meetings with prayer and reading.”
 - f. “I am reminded of why I joined – the DP. The history of restoration is completed and the victory of God and TP will forever remain.
 - g. It is still painful – we are taking off the old skin, like peeling an onion.
 - h. The foundation has been laid – now we can start to build the house.
 - i. It’s a new time: discovery rather than recovery, grace rather than race, less worry and more glory, its not a dream – the reality is that members are happier. It’s time to make our personal story.
 - j. “I repent I could not bring more people to Foundation Day.”
 - k. Great blessing! Training time is over, now it is our time as families.
 - l. “I feel gratitude to TP. They sacrificed everything. What needs to be done is going to take hard work – its not going to be automatic.”
 - m. We did many conditions. Now we can go forward with the DP, God’s word.
- 2) We also discussed **the meaning of Tribal Messiahship**
 - a. To be an owner of true love
 - b. Like Moses, except that we know what God is doing.

- c. You must find Cain to protect your tribe
- d. Position of Jesus – but we have the better fortune of having received the Blessing
- e. Satan cannot accuse us
- f. Check out Black Eyed Peas, “One Tribe on Youtube, <http://www.youtube.com/watch?v=WoFKE4cdi70>
- g. Life style of attendance. Daily Hoondokae. Need balance between theory and action
- h. If you sacrifice for your Cain Tribe (those who are not members of your family) it will always bring benefit.
- i. Facebook is a great tool for Tribal Messiahship
- j. Your tribal members do not have to become Unificationists. They can join Family Federation and remain as they are (ie Moslem, Buddhist, Catholic)
- k. Visit your tribe (members) in their homes
- l. The way to grow your tribe is to live so that others want to be with you and want to be like you.

3) We heard 2 testimonies

- a. “I had no time to visit people and give out the Autobiography, because of my work schedule. Finally, I knew I had to do something and I went out late at night, after work to visit the workers at late night gas stations. Some of them are students trying to earn extra money. Now I have some good contacts who are reading the Autobiography and who are looking forward to my visits.”
- b. “I, and my family, work together. We begin by inviting them to our home – we do so in order to make them feel like part of our family. These are not people off the street – they are friends of our friends or parents of our kids’ friends. They eat with us and share with us – and then my husband teaches them DP lectures. Several have joined and have been blessed. And it was not a burden. They have each been a blessing for our family – often coming over to help us when help is needed.”

4) What actions steps can we take?

- a. Make our worship service (including sermons) better. Create a more embracing and inspiring atmosphere on Sundays.
- b. When you go out – whenever possible, go with someone. God and spirit world work better through that dynamic.
- c. Hold introductory cultural events that members can more easily bring guests to.
- d. Pass out DVDs with DP lectures on them
- e. Improve our ability to care for others. For this the micro church (a program for training chaplains was introduced)
- f. Create a web site for the NY District where new guests can learn about us, who we are and what we believe.
- g. Write down the names of everyone you know. All those who are not blessed couples (unless they are your children) – are the members of your tribe.

Let’s make it a great week. Get involved with your local ministry, connect with your pastor, and ask your Heavenly Parent for inspiration – “What can I do, what steps can I take, to become a better tribal messiah than I was yesterday?”

God Bless You

Sermon

Sorry, I don’t have recorded sermons from last Sunday

Light Thought for the Day

Diet Tips

My sisters and I have weight problems and are always sharing diet tips. One day my oldest sister was showing us a low-fat cookbook and pointed out a chicken dish she had tried the night before.

Reading the ingredients, I commented, "It looks like it would taste really bland."

"It did," she replied, "until I added cheese and sour cream."
