TM's Becoming the Begotten Daughter

Problems with Denying & Criticizing TM

I. Blasphemy to God

- God reveals himself wholly through True Parents.
- Denying TM → Denying TP → Hindering God's wish

II. Denying Father's Value

- T. Father achieved ultimate unity with T. Mother and spent his entire life with her for 52 years.
- T. Mother fails → T. Father fails
- The highest value for Father is the True Parents of HEH.
- Denying T. Mother → TF fails to become TP of HEH

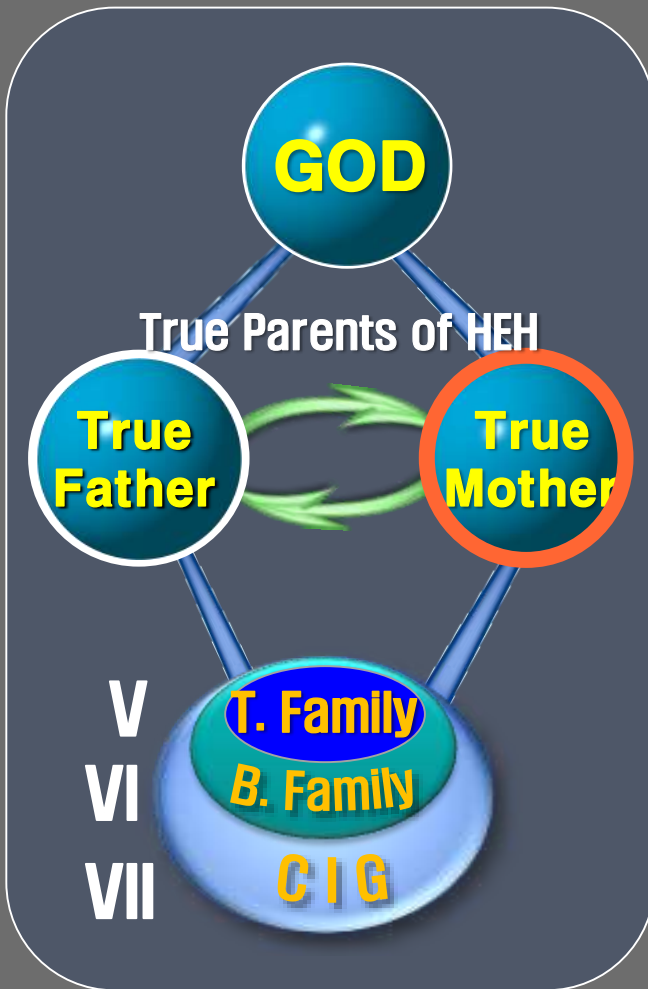

III. Denying the Values of True Family

- True Children's value comes from True Father & Mother.
- Denying T. Mother → TC's values are also denied.

IV. Denying the Values of Blessed Families

- Blessed Families were blessed by True Father & Mother.
- Denying T. Mother → Denying TP → BF's values are lost.

Problems with Denying & Criticizing TM

V. Denying the Four Realms of True Love & True Heart

- The 4 Realms of True Love and True Heart are essential conditions for becoming True Parents
- True Parents are Model of the Life of 4 Realms of True Love and True Heart

Denying TM → Denying the Conjugal Love and Heart, and the Parental Love and Heart → Rejecting the Model of 4 Realms of True Love and Heart

VI. Denying the Three Great Blessings

- The 3 Great Blessings are basic structure/system of the Ideal World (CIG)
- True Parents are the Model of 3 Great Blessings Life.

Denying T. Mother → Denying True Parents → Rejecting the Model of 3 Great Blessings

VII. Denying the Ideal of CIG

- CIG is an ideal world centered on God and True Parents.

Denying T. Mother → Denying TP

→ The fulfillment of the ideal of CIG is impossible

for your attention!!!
