Jo Han-jun (Jo Won-mo's father) built a bridge at his own expense.

In a dream, an old man wearing a white attire appears in front of him and says, "Hanjun, your meritorious services are great! I was going to send the son of Heaven to your family but those three coins you spent on yourself have hindered it, and therefore I shall send a princess instead."

After this dream he went out and saw a stone Buddha erected on that hill.

III. Foundation to Receive the Messiah & Preparation for the Bride

Why should a man in his forties marry a young girl like Mother who is just sixteen or seventeen? Eve fell before she turned seventeen, at the age of sixteen....

Since the Returning Lord was predestined to come to Korea according to God's providence, the mission of three great women was transmitted for forty years in order to meet the Returning Lord. They are Kim Sung-do (36-couple Rev. Jeong Su-won's grandmother), and then Heo Ho-bin's group. Next, their missions were all passed on to the era of the Returning Lord, the era of the Mother. ...

Mother could be chosen after winning over all age groups, beginning from 80 to 70, 70 to 60, 60 to 50, 50 to 40, 40 to 30, 30 to 20, and 20 to 10. This took 14 years.... By passing on the Blessing in this manner, one must go back again to that position. One must go back. (280-210-212, 1997.01.01)

- a. If God intends to live with love, He cannot do it alone. Love takes place only only within relative requirements.
- b. Do you think Rev. Moon can possess love or the Holy Spirit alone? I must have the person named Han Hakja. When love occurs, the fortunes of heaven and earth are moved and applied, intoxicating all cells.
- c. In the end, Rev. Moon's perfection is possible through the person, Han Hak-ja, and vice versa. The same goes for the conditions and laws needed to fulfill that purpose. (204-57, 1990.7.1)

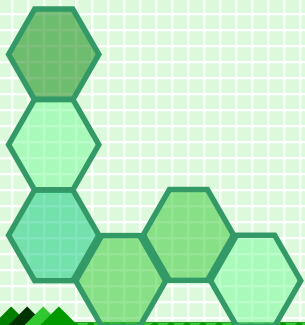

V. True Mother's Perfection and Value

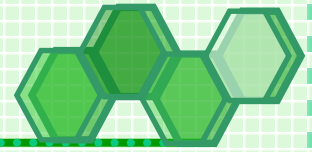

C. True Mother's Perfection (1997.1.1)

1. The Standard for True Mother's Perfection

- a. God created Adam; Adam attains perfection together with Eve.
- b. An absolute subject partner creates an absolute object partner; likewise an absolute object partner creates an absolute subject partner.

D. The Significance of the Coming of True Mother (19-102, 1967.12.31)

2. When the Messiah physically appears on earth, his bride must know all aspects of the heavenly way and must fulfill the qualifications of the bride.
3. The bride must prepare the family, nation, and world that will receive the Messiah. (16-182, 1966.3.22)
4. True Father lost the realm of the bride equal to the realm of the Christian culture. Therefore, he must restore and establish an equivalent realm of the bride centering on Mother. (241-230, 1992.12.26)

VI. True Parents' Holy Wedding (1960.4.11)

3. The Holy Wedding is the Marriage of the Lamb in the Book of Revelation (Rev. 19:9-10)

Following the Fall, this was the first time God had held the marriage of the first human ancestors, after He found the True Parents.

4. 1st ceremony (Ceremony of Parents Restored through Indemnity)

7. The First Public Testimony Given by True Mother (1997.5.3. /3.16 by the L.C.)

“Members think I had thirteen children, but I actually gave birth to fourteen children. There is a 5-year gap between Kook-jin and Kwon-jin. That was between 1971 and 1975, which was also the most difficult period for Father after he came to the United States. Because I was attending Father, I myself became very tense and ended up having a miscarriage.”

VII. True Mother's Life Course and Change of Status

After 1976, Mother achieved the standard of victory and her life became whole. However, Mother and I both had to fight Satan until we reached complete resurrection together. Finally, on our Holy Wedding anniversary this year, 1977, on February 23, all indemnity ended and the True Parents reached the completion level, starting a new era of resurrection.

True Mother and Grandmother Hong were both victorious. After this cosmic victory, I, in the position of Father, bestowed on them the glory they deserved. From the viewpoint of the Principle, I treated Mother differently from before. This is how difficult and intense this task has been.

VII. True Mother's Life Course and Change of Status

It took me forty years to complete what I had to do following WWII, which was to pass through the world stage centered on the family. That happened in 1990, on our 30th anniversary.

Jesus was on the national stage, but now he has gone beyond the global stage. Therefore, all the opposition the Unification Church is receiving from the United States, the free world and all spheres of religion, will pass.

Next, opposition from the communist world will also end. We are even negotiating with Kim Il Sung through the Soviet Union. Based on such conditions, everything has been completely concluded. Now, even if I am gone and Mother alone remains, there will be no further hindrance to God's Will. (201-126, 1990.3.27)

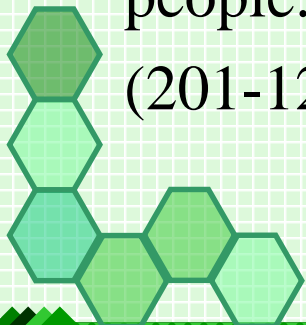

VII. True Mother's Life Course and Change of Status

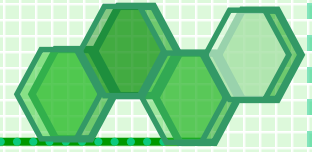

Until now, women could not stand as providential figures representing heaven and earth. Now, thanks to the complete unity of Father and Mother centered on true love, the realm of liberation for all women centering on Mother could finally be proclaimed on Earth through this morning's ceremony.

What will happen now? Women must unite, create a global women's alliance, and carry out a campaign to completely eradicate prostitution. Until now, women worked as Satan's weapon to spread seeds of illicit love and multiply Satan's people. We must repulse Satan's illegal love.

(201-126, 1990.3.27)

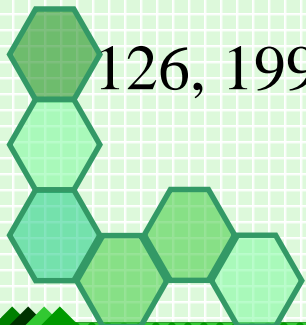

VII. True Mother's Life Course and Change of Status

I proclaimed the liberation of women when True Mother turned 30. Through this proclamation, Father can now represent the True Parents even if he is alone and Mother can represent the True Parents even if she is alone.

Therefore, Father is the number one leader and Mother follows next as the number two leader. Women followed men until now, didn't they? Now they are on the same level. (201-

126, 1990.3.27)

Japan the Eve nation launched the Women's Federation for Peace in Asia, which was connected to Korea by **the Women's Federation for World Peace Rally on April 10, 1992. Proclamation of the era of women;** by proclaiming the realm of liberation of all women in eighty nations (1999.6.14), **True Mother was able to stand in a position officially recognized by God, Satan and humankind.** That is why I am presenting Han Hak-ja, Mother, with this plaque of commendation. Mother now stands in an **equal position** to Father.

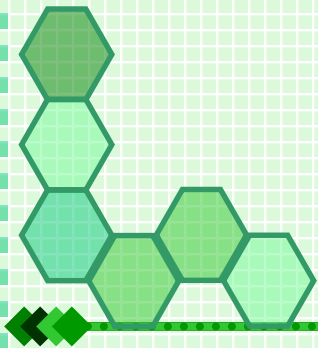

What should Mother do in this position? Since women failed to fulfill their responsibility centered on the realm of the bride, Korean women must be brought together as representatives, Japanese women must also be brought together as representatives. The United States, Germany, Great Britain, France and Italy should come together, and the Adam, Eve and Archangel nations, indeed all seven nations should make connections
with and be grafted onto Korea as the center. (241-244, 1992.12.26)

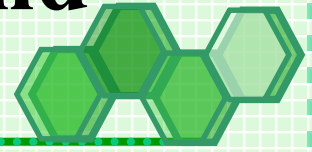

VII. True Mother's Life Course and Change of Status

Because the age has dawned for the perfection level world that has not fallen to seek for sons and daughters, I unequivocally proclaim that the True Father is Sun Myung Moon and the True Mother is Hak Ja Han. If this is not done, the spirit world will not be able to keep in step. It is True Parents' victory that has brought this about. (229-154, 1992.4.11)

VII. True Mother's Life Course and Change of Status

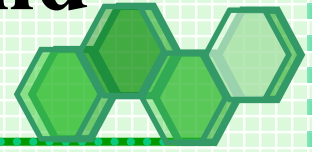

At the leaders convocation of WFWP held in the five major cities in Korea this year in July, **I proclaimed that my wife, Hak Ja Han, and I were the True Parents of Humankind, the Savior, Returning Lord and Messiah.**

As the Messiah, I gave this proclamation to the women leaders following Dr. Hak Ja Han Moon, who is my wife and stands in the position of the completed Eve. (234-249, 1992.8.24)
