## GENERATION PEACE SERVES

"This experience has impacted my future in a way I won't ever forget. I learned that the whole world is much bigger than America, and how different it is; but in a way it's like this: many different paths to the same one truth. This experience allowed me to see how we truly are one global family."

-Christopher Hall, age 20  
Korea & Japan

## GENERATION PEACE SERVES

"My experience in Guyana impacted the way I think. I have gratitude for my life, more appreciation for the things I have, and I am more sensitive to the situations of other people. This experience overseas has inspired me to be more involved with my own community and church back at home."

-William Nguyen, age 19  
Guyana, 2011
